Every Time You Go Away

Paul Young

Hey, if we can solve any problem
Why do we lose so many tears
Oh, so you go again
When the leading man appearsAlways the same thing
Can't you see
We've got everything goin' on and on and on?Every time you go away
You take a piece of me with you
Every time you go away
You take a piece of me with youGo on and go free, yeah
Maybe you're too close to see
I can feel your body move
It doesn't mean that much to meI can't go on sayin' the same thing
Just can't you see
We've got everything, do you even know we know?Every time you go away
You take a piece of me with you, oh
Every time you go away
You take a piece of me with youI can't go on sayin' the same thing
'Cause baby, can't you see
We've got everything goin' on and on and on?Every time you go away
You take a piece of me with you
Every time you go away
You take a piece of me with youEvery time you go away
You take a piece of me with you
Every time you go away
You take a piece of me with youEvery time you go away
You take a piece of me with you
Every time you go away
You take a piece of me with you
