

Children Of The Bored

Suicidal Tendencies

[Mike Muir / Mike Clark]Let me see who's bored...

Let 'em know you're bored...

Let 'em know you're bored...

All aboard the bored...

Yea we know you're bored...

Yea we know you're bored...

The children of the...

Children of the bored...

Children of the bored...

Children of the bored...

Children of the...

The slogan on the TV says just do it

We say just screw it

You say you're living happy ever after

Pardon my laughter

I've heard it all before, that sound of silence

Here comes the violence

Failure to you and your expectations

Economic incarceration

Children of the bored...

Children of the bored...

Children of the bored...

Children of the...

It's plain to see that you can't see my reason

Can you see my reason?

It's plain to see that you've sold out to their treason

Sold out to the treason

You got the answers to the questions that don't matter

Questions that don't matter

Now try to explain my pain when my brain splatters

Splatters, splatters, splatters

[guitar solo]Just admit you're bored...

Bored...

Bored...

Bored...

Let 'em know you're bored...

Let 'em know you're bored...

Let 'em know you're bored, bored, bored, bored, bored, bored!

Bored!
Yea you know we're bored...
Yea you know we're bored...
Yea you know we're bored...
Yea you know we're bored...
Yea you know we're bored...
Yea you know we're bored, bored, bored, bored, bored, bored!

Bored!
Bored!
Bored!
Bored!
Bored!
Bored!
Bored!
Bored!

The children of the...
Children of the bored...
Children of the bored...
Children of the bored...
Children of the...
Bored...
Children of the bored...
Children of the bored...
Children of the bored...
Children of the...
Bored...
