

Perfect World

Gossip

Oh oh and I
And I put a wish in
Made it my mission
To end the conflict
But oh
I put a wish in
Hoping you'd listen
By my accomplice
But ohhh
Relax, it's only dreaming facts
Giving way to feelings
No one ever stays long
it's over when you wake up
So I knew that it was
in the Picture perfect world
We can be more than before
I said it was
I made it stronger
From the beginning
My head was spinning
The perfect star
Oh a church
A place to fit in
A new religion
I found your heart
But oh oh
Relax, it's only dreaming facts
Giving way to feelings
no one ever stays long
it's over when you wake up
So I knew that it was
in the Picture perfect world
we can be more than before
I said it was
I made it stronger
In an Picture perfect world
in the Picture perfect world
we can be more than before
I said it was

I made it stronger
Dont get mad
You did your best
and now its
all in the past to stay
so I knew that it was
in the Picture perfect world
we can be more than before
I said it was
I made it stronger
in the Picture perfect world
we can be more than before
I said it was
I made it stronger
