Deseri

The Mothers of Invention

When I'm dancing with Deseri
(Oo-ooo Deseri)
All the boys are jealous of me
(Deseri)
I'm as happy as I can be
Oh, DeseriI'm as happy as I can be
(Oo-ooo Deseri)
Whenever I'm with Deseri
(Deseri)
She saves her lovin' just for me
Oh DeseriI will never be untrue
I will never ever make her blue
She'll never sigh, cry, sit and pine
We will share a love divine
Deseri is mineI'm as happy as I can be
(Oo-ooo Deseri)
Whenever I'm with Deseri
(Deseri)
'Cause she saves her lovin' just for me
Oh Deseri
