

# Deseri

## The Mothers of Invention

When I'm dancing with Deseri  
(Oo-ooo Deseri)  
All the boys are jealous of me  
(Deseri)  
I'm as happy as I can be  
Oh, Deseri I'm as happy as I can be  
(Oo-ooo Deseri)  
Whenever I'm with Deseri  
(Deseri)  
She saves her lovin' just for me  
Oh Deseri I will never be untrue  
I will never ever make her blue  
She'll never sigh, cry, sit and pine  
We will share a love divine  
Deseri is mine I'm as happy as I can be  
(Oo-ooo Deseri)  
Whenever I'm with Deseri  
(Deseri)  
'Cause she saves her lovin' just for me  
Oh Deseri
