

Gravity Eyelids(2010 2 x 180 g LP Reissue)

Porcupine Tree

Open your eyes now
Hear me out before I lose my mind
I've been waiting for hours
Let the salt flow, feel my coil unwind Give me a smile please
Count the calm and watch my breathing slow
Winding me up tease
Get inside my head and make it show Gravity eyelids come down Touching your oil skin
Slipping hands down past your waist to find
I've been waiting for hours
Let the salt flow, feel my coil unwind
Go to the edge swim
Brown the eyes that sleep has rendered blind
