Dim The Lights (feat. Sia)

Creep

You lick your wounds again
You play the victim
You milk the misery
You draw me inAnd you will take your sweet time
You'll wreak havoc with my life
Shake your chains and thunder sky
Part of life's delightSo dim the lights
The shadows hide
But i forgot
to dim the lights
dim the lightsTectonic plates may shift
I see it as a gift
We love,our life is left
Take your prays againYou will take your sweet time
You'll wreak havoc with my life
Shake your chains and thunder sky
Part of life's delightDim the lights
The shadows hide
I forgot
To dim the lights
Dim the lights
