

# **Hangin' On**

## **The House Keepers**

You've got me where you want me you keep stringing me along

Just enough to keep me a hangin' on

It's true you have me twisted around your finger it seems that's where I belong

You know how to hold me thrill me and control me

Just enough to keep me a hangin' on oh just enough to keep me a hangin' on

My heart is like a yo-yo on a string I'm tied to you right or wrong

My love keeps a growing cause your love keeps a showing

Just enough to keep me a hangin' on oh just enough to keep me a hangin' on

A love that's strong as mine will make me do most anything

Like hiding tears and heartaches and dreaming silly dreams

You've got me where you want me you keep stringing me along

Just enough to keep me a hangin' on oh just enough to keep me a hangin' on
