The Beginning

Little Mix

Leigh:
Let's take it back to where it first began
Jade:
They turned us strangers into closest friends
Jesy:
Turn the page and see the wonder that's here for you and I
Jade:
Was all so different once upon a time
Leigh:
But now the spark we got won't ever die
Perrie:
Close your eyes and feel the magic
Don't ever let it go
Jesy and Perrie:
A lot of me, a piece of you
With a sprinkle of attitude
Leigh and Jade:
A little dream, a lot of love
Turn up the heat baby, don't give up
All:
Yeah I know we've come so far, but its just the beginning (2x)
