

If I Had a Cheatin' Heart

Ricky Lynn Gregg

Your ruby lips, girl they tempt
And your beauty, is a work of art
I could get lost, inside your arms
If I had a cheatin' heart

(CHORUS)

Your eyes tell me, you don't mean maybe
Oh! Baby, you're makin' it hard
It would be eeeeasy to let you please me
If I had a cheatin' heart

(SOLO)

You touch my hand and my knees get weak
If I'm leaving, I'd better start
I bet you'd turn me every way, but loose
If I had a cheatin' heart

(CHORUS)

(SOLO)

(CHORUS x3)

If I had a cheatin' heart
