

# Breathe

## Greenwheel

I played the fool today  
And I can see us vanishing into the crowd  
Longing for home again  
But home is a feeling I buried in you I'm alright, I'm alright  
It only hurts when I breathe And I can't ask for things to be still again  
No I can't ask for you  
To offer the world through your eyes  
Longing for home again  
But home is a feeling I buried in you I'm alright, I'm alright  
It only hurts when I breathe  
I'm alright, I'm alright  
It only hurts when I breathe My window through which nothing hides  
And everything sings  
And I'm counting the signs  
And cursing the miles in between But home is a feeling I buried in you  
That I buried in you I'm alright, I'm alright  
It only hurts when I breathe  
I'm alright, I'm alright  
It only hurts when I breathe When I breathe  
Yeah, it only hurts when I breathe  
When I breathe  
It only hurts when I breathe
