

We'll Be Together

Sandra

Days in blue and nights in fever
Fall in Chinatown
Flames and light, a silent fire
Not a single sound Who used to cry for love
Ooh, time an' time again
I used to cry for some love tonight And we'll be together
With a little luck, a little luck
We'll be comin' out of the dark
Say you will, say you'll come my way And this means forever
With a little luck, a little luck
We'll be comin' out of the dark
Say you will, say you'll come Night is cold and moon is flashin'
In a lonesome dance
I don't care 'cause you're beside me
I can take my chance Who used to cry for love
Ooh, time an' time again
I used to cry for some love tonight And we'll be together
With a little luck, a little luck
We'll be comin' out of the dark
Say you will, say you'll come my way And this means forever
With a little luck, a little luck
We'll be comin' out of the dark
Say you will, say you'll come It's like a wave
That touched my skin
And I'll let you stay
We'll be together And we'll be together
With a little luck, a little luck
We'll be comin' out of the dark
Say you will, say you'll come my way And this means forever
With a little luck, a little luck
We'll be comin' out of the dark
Say you will, say you'll come And we'll be together
With a little luck, a little luck
We'll be comin' out of the dark
Say you will
