

Here Comes the Night Time II

Arcade Fire, The

(Here comes the night time)
(Here comes the night time)
(Here comes the night time)
Here comes the night time
Here comes the night time
Here comes the night time I hurt myself again
Alone with all my friends
Feels like it never ends
Here comes the night again Here comes the night time
Here comes the night time
Here comes the night time You hurt yourself again
Alone with all your friends
Feels like it never ends
Here comes the night again Here comes the night time, coming on slow (Here comes the night time)
Here comes the night time, I know that you know (Here comes the night time)
Here comes the night time
Here comes the night time
Here comes the night time
Here comes the night time Well, I hurt myself again
Alone with all my friends
Feels like it never ends
Here comes the night again Here comes the night time
Here comes the night time
Here comes the night time
Here comes the night
