

# Fate

## Four Star Mary

Time is healing  
I'm ahead  
Find a reason once again  
Take a moment out of time  
I'll be standing back behind On a wing  
So out of line  
Taken in  
So out of time All it takes is living  
I want to fly  
I've never known fate  
I've never known your name  
I've never known fate Sound the season  
In my head  
I'll be better off again  
Rather die this evening  
You would never know  
Up ahead and far below On a wing  
So out of line  
Taken in  
So out of time All it takes is living  
I want to fly  
I've never known fate  
I've never known your name  
I've never known fate Someone take me home  
Get me out of here  
Someone take me home  
Get me out of here  
Someone take me home  
Get me out of here  
Someone take me home  
Get me out of here Oh, Oh  
Get me out of here  
Oh, Oh  
Get me out of here
