Slave to My Dick

Subhumans

I put on my clothes,
They make me look dull,
I dont think about it,
I dont think at all,
I dress high class,
It makes me look high paid,
You know I'll do it baby cause I wanna get laid.Im just a slave, to my dick,
It really makes me, sick.I lied to myself and to my friends too,
And if I want your girl, I'll lie to you too,
I'll play stupid games do whatever it takes,
Cause Ive gotta have a bomb and the times gettin late.Im just a slave, to my dick,
It really makes me, sick.Well I live in the bars,
I live in the pubs,
My mind is, a blank from drinkin in the clubs,
I do a lot of talkin but I dont say much,
I cant be real cause im such,You know im such a slave to my dick,
It really makes me, sick.....Slave to my dick (x4)
