

# Up On the Hill

## Fun Lovin' Criminals

It's just a hill of beans to some  
Bums talking 6-figure shit, while they taking their lump  
See I grew up on the hill but still I keep ready  
Had a mind of my own like Wes gave to FreddyAs Freddy got clipped, man, so did my youth  
Spending nights with my rights, knocked to my tooth  
Yeah, it scarred my soul it fucked me up like vodka  
Had me walking around mumbling shit like I was LatkaThe hill don't discriminate, they know who you are  
If you make it over the edge then baby, you the star  
The big top knows all the choices you chose  
Both respected and feared by your friends and your foesNow up on the hill is where you find us  
Yeah, up on the hill that shit is timeless  
Yeah, up on the hill that burns the brightest  
Yeah, up on the hill, up on the hillAnd up on the hill is where you find us  
And up on the hill that shit is timeless  
Yeah, up on the hill there ain't no contest  
Yeah, up on the hill, up on the hillNow go make your mound in an anthill, sonny  
You be dead by 40, but you make a lotta money  
A shot clock is dropped, choose when you choose  
And if you ain't up on the hill, you loseNow damn the jokes and damn the torpedos  
Live a life of your dreams, like Boz did Lido  
I said Lido, who-a-oh  
I said one more time, ought to get itNow look up, look up higher and see  
It's not as hard as you figured it would be  
Now 2 tons, 2 tons lighter  
Agreed, now, if it's all right with you it's all right with meNow up on the hill is where you find us  
And up on the hill that shit is timeless  
Yeah, up on the hill there ain't no contest  
Yeah, up on the hill, up on the hillAnd up on the hill is where you find us  
And up on the hill that shit is timeless  
Yeah, up on the hill there ain't no contest  
Yeah, up on the hill, up on the hillNow up on the hill is where you find us  
Yeah, up on the hill that shit is timeless  
Yeah, up on the hill that burns the brightest  
Yeah, up on the hill, up on the hillNow up on the hill is where you find us  
Yeah, up on the hill that shit is timeless  
Yeah, up on the hill that burns the brightest  
Yeah, up on the hill, up on the hillUp on the hill is where you find us  
And up on the hill that shit is timeless  
Yeah, up on the hill there ain't no contest

Yeah, up on the hill, up on the hill  
Up on the hill is where you find us  
And up on the hill that shit is timeless  
Yeah, up on the hill there ain't no contest  
Yeah, up on the hill, up on the hill  
Up on the hill is where you find us  
Yeah, up on the hill that shit is timeless  
Yeah, up on the hill that burns the brightest  
Yeah, up on the hill, up on the hill  
It's just a hill of beans to some  
Bums talking 6-figure shit, while they taking their lump  
See I grew up on the hill but still I keep ready  
Had a mind of my own like Wes gave to Freddy  
As Freddy got clipped, man, so did my youth  
Spending nights with my rights, knocked to my tooth  
It scarred my soul it fucked me up like vodka  
Had me walking around mumbling shit like I was Latka
