

# Hill Country Rain

**Jerry Jeff Walker**

Sometimes I just wake up humming  
feeling like my world is right  
wanna jump right up & walk outside, take in the morning light  
feel the music running through me makes me wanna dance  
clap my hands and dance  
sometimes it just takes a lady  
to smile & make my day complete  
that's a feeling can make me tap my feet, clap hands & tap my feet  
feeling like you know you're lucky with every single chance  
clap your hands and dance  
people they tell me, take it easy, you're moving too fast  
slow down now, Jerry, take it easy, let some of it pass  
I don't know no other way, got to live it day to day  
if I die before my time  
when I leave, I'm leaving nothing behind, no, no  
when I leave, I'm leaving nothing behind  
'Cause I got a feeling, it's something that I can't explain  
Like running naked in the high hill country rain
