

# Real Love

Mary J Blige

We are lovers through and through and though  
We made it through the storm  
I really want you to realize  
I really want to put you on  
I've been searchin' for someone  
To satisfy my every need  
Won't you be my inspiration  
Be the real love that I need  
Real love, I'm searchin' for a real love  
Someone to set my heart free  
Real love, I'm searchin' for a real love  
Ooh, when I met you I just knew  
That you would take my heart and run  
Until you told me how you felt for me  
You said I'm not the one  
So I slowly came to see  
All of the things that you were made of  
And now I hope my dreams and inspirations  
Lead me to want some real love  
Real love, I'm searchin' for a real love  
Someone to set my heart free  
Real love, I'm searchin' for a real love  
I got to have a real love  
Love so true and oh baby, I thought that your love was true  
I thought you were the answer to the questions in my mind  
But it seems that I was wrong  
If I stay strong maybe I'll find my real love  
So I try my best and pray to God  
He'll send me someone real  
To caress me and to guide me  
Towards a love my heart can feel  
Now, I know I can be faithful  
I can be your all in all  
I'll give you good lovin' through  
The summer time, winter, spring and fall  
Real love, I'm searchin' for a real love  
Someone to set my heart free  
Real love, I'm searchin' for a real love  
Real love, I'm searchin' for a real love

Someone to set my heart free  
Real love, I'm searchin' for a real love  
You see I'm searching for a real love and I don't know where to go  
(Real love, I'm searchin' for a real love)  
Been around the world and high and low and still I'll never know  
(Someone to set my heart free)  
How it feels to have a real love 'cause it seems it's not around  
(Real love, I'm searchin' for a real love)  
Gotta end it in this way because it seems he can't be found  
Real love, I'm searchin' for a real love  
Someone to set my heart free  
Real love, I'm searchin' for a real love  
Real love, I'm searchin' for a real love  
Someone to set my heart free  
Real love, I'm searchin' for a real love, real love
