Lonely Boy

Iron Butterfly

I'm such a lonely boy when I'm not in your arms
Yes, I'm such a lonely boy when I'm not in your armsThe only time I hear your voice is on the line
And then you say, "I hope you're feeling fine baby"
But you know that I'm notThe only time I hear your voice is on the line
And then you say, "I hope you're feeling fine baby"
But you know that I'm notAnd that's why
