

Once More With Feeling

[Willie Nelson](#)

Once more with feeling, once more with feeling
Won't you hold me till the night fades into day?
Once more with feeling, once more with feeling
Hold me close don't let this feeling go away Sometimes myself runs back to you
I just can't tell me what to do
But I remember when all wrapped up tight within'
The shelter of my arms you used to stay Once more with feeling, once more with feeling
Won't you hold me till the night fades into day?
Once more with feeling, once more with feeling
Hold me close don't let this feeling go away Once more with feeling, once more with feeling
Won't you hold me till the night fades into day?
Once more with feeling, once more with feeling
Hold me close don't let this feeling go away
