

# Follow the Leaders (Dub)

## Killing Joke

Come inside boy, they call this fun!  
(Music to please the adolescent)  
Taking the easy way out again  
Part of the process, same old story  
Follow the leader  
(look at the leader) You just condone all that you mean  
Play time doesn't last forever  
Shouting about it taking the bait  
Walking again in the same direction  
Follow the leader  
(look at the leader) Time moves on and then you notice  
The ground starts to tremble beneath your feet  
Man killed man and blood was shed (yawn!)  
And the gasps of relief at human nature like  
Follow the leader  
(look at the leader)
