

# Spoken For

## We Are Scientists

Listen, I may have given you the wrong impression  
This is something that I really ought to mention  
Well, I should tell you Ive been spoken for Listen, its best that we avoid misapprehension  
This is something that Id never had intended  
Well, I should tell you Ive been spoken for  
Well, I should tell you Ive been spoken for As far as weakness goes  
This ones hard to beat I know, I know  
I'm sure I will beat this thing, wait and see As far as these things go  
I should never speak I know, I know  
I'm sure I will beat this thing, wait and see Well, I should tell you Ive been spoken for
