

COWBOYS DON'T CRY

Eddy Raven

Shoulda seen it coming
Shoulda know you weren't that kind of girl
Ya didn't like the life style
Ya didn't understand the cowboy's world
Lookin back I wonder
When it was I finally realised mmmmmm
No matter how you hurt me
Cowboys don't cry

Cowboys don't cry they move on
One more rodeo and a few more broken bones
Nothins better than one good eight second ride
You play you win you lose you try
Cowboys don't cry

For me it was a passion
For you it was a fashion show each day
I was boots and saddles
You were double D and santa fe
But you never said forever
So I guess you never did tell me a lie mmmmm
Honey that still hurts me
Cowboys don't cry
