

The Birthrite

Starflyer 59

Some might
Some might sell out
On the birthrite
Never shy And you never shot a bird right
But you're taking on the worst shine
You're taking on the worst shine
With the hairiness you never had Some might
Sell out on the wrong side
In the corner of his eye You never shot a bird right
But you're taking on the worst shine
You're taking on the worst shine
With the hairiness you never had
