## TAD

coming sleep  
raise away  
luxuous throne  
A devil is dead  
an one is back  
plain your shoes  
wave in face  
raise bloodblock the city chief  
they turning in me  
ain't got no quake  
no one sleep  
burn my luck cold  
A pray is undone  
no one is gone  
ain't got no one  
she knows  
she's drug the angel  
she knows  
ain't got no one (4x)ain't got kid  
surrend now  
ain't got kid  
surrend now  
ain't got kid  
surrend now  
ain't got kid  
she knows  
she's drug the angel  
she knows  
ain't got no one (4x)
