

# Give Up/Give In

## Motion City Soundtrack

I couldn't move  
I was more than confused  
I was experiencing desperation  
I had ben cursed and it only got worse  
When I got caught up in that situation

I couldn't breathe  
I was never at ease  
I was a wrecking-ball of aggravation  
I had my doubts that i'd find my way out  
With all the agony and trepidation

(Pre-chorus)

The words I never said out loud  
And the things I never did at all  
Have gotten wrapped up on me now that I'm alive

(Chorus)

I don't care, I don't care anymore  
I give up, I give in, I surrender  
I'm afraid, I'm afraid of it all  
Its a monster I can't ignore  
I don't care, I don't care anymore  
I give up, I give in, I surrender

Yeah I was born on the carpeted floor  
Watching the headlights ignite my ceiling  
I couldn't sleep  
Couldn't get up to eat  
And I was hungry for a different feeling

(Pre-chorus)

The words I never said out loud  
And the things I never did at all  
Have gotten wrapped up on me now that I'm alive

(Chorus)

I don't care, I don't care anymore  
I give up, I give in, I surrender  
I'm afraid, I'm afraid of it all

Its a monster I can't ignore  
I don't care, I don't care anymore  
I give up, I give in, I surrender

I couldn't move  
I was more than confused  
I was experiencing desperation  
I had ben cursed and it only got worse  
When I got caught up in that situation

Terrorized, too busy playing dead to be alive  
Terrorized, too busy playing dead to be alive  
Terrorized, too busy playing dead to be alive  
Terrorized, too busy playing dead to be alive

(Chorus)

I don't care, I don't care anymore  
I give up, I give in, I surrender  
I'm afraid, I'm afraid of it all  
Its a monster I can't ignore  
I don't care, I don't care anymore  
I give up, I give in, I surrender  
I'm afraid, I'm afraid of it all  
Its a monster I just can't ignore
