

# The Sulphur Man (Rebelski Remi

## Doves

Back, I'm back in town  
In which we're stuck, I couldn't get out  
And that old man, will soon be us  
Now if we're too late  
Not if we can't escape  
All of my time,  
you were on my mind  
And all of my thoughts  
You're so hard to find  
And your shadow, it lay across his life  
Time, a time in the past  
We couldn't care less, wanted to live fast  
And our old house, I can't find  
'Cause it ain't there  
'Cause it ain't there, it's gone  
All of my time  
you were on my mind  
And all of my love  
You're so hard to find  
And your shadow, it lay across my life, my life
