

Grudobolja

Dino Merlin

I'm dying completely sober
what they didn't talk about you, my poor,
that the dog couldn't even eat with fat
they talked that after everything
you brought him into our dreams
they talked that you like just the way I go down

what do they talk about you even now, my poor,
that's not the question of anger nor jealousy anymore
it's something more than that
for someone a cure and for someone drugs
I know there's a little bit of truth and a little bit of destiny there

and don't think that I drink
I'm not allowed to
I'm dying completely sober

BOSNIAN

Ja potpuno trijezan umirem
sta sve o tebi sirota moja nisu pricali
to vise ne bi ni pas s maslom mog'o pojesti
bilesi da si nakon svega
u nase snove dovela njega
bilesi da ti se bas dopada nacin na koji propadam

sta sve o tebi sirota moja i sad govore
to vise nije ni stvar jala ni ljubomore
to je nesto vise od toga
nekome lijek a nekom droga
ja znam, ima tu malo istine a malo sudbine

a ne misli da pijem
ja to ne smijem
ja potpuno trijezan umirem
