

Girl of My Dreams

The Naked Brothers Band

Verse 1:

My mind turned around
I'm seeing things upside down
My mind turned around
I'm acting like a clown

Chorus:

Cause the girl of my dreams
was right next to me
and she was sitting on my lap
i didn't catch yo name but I'm going insane
I'm in love with the girl

Verse 2:

I will find her i will get her
i will make a little heart come through
I will get her
from miles away
from nights a day
in my head

Nat and Rosalina

Oh, we, ah, oh, oh, oh
What if the girl of the dreams
was right next to me
the girl of your dreams was right next to me
and she was sitting on my lap
i didn't catch yo name
but I'm going insane
I'm in love with the girl
