

Always

Panic! at the Disco

When the world gets too heavy
Put it on my back, I'll be your levee
You are taking me apart
Like bad glue on a get well card It was always you falling for me
Now there's always time, calling for me
I'm the light blinking at the end of the road
Blink back to let me know I'm a fly that's trapped in a web
But I'm thinking that my spider's dead
Lonely, lonely little life
I could kid myself in thinking that I'm fine It was always you falling for me
Now there's always time, calling for me
I'm the light blinking at the end of the road
Blink back to let me know That I'm skin and bone
Just a king and a rusty throne, oh
The castle's under siege
But the sun outside says leave me alone It was always you falling for me
Now there's always time, calling for me
I'm the light blinking at the end of the road
Blink back to let me know
(It was always you) Blink back to let me know
(It was always you)
