

# Letters From Earth (alternative version)

## Black Sabbath

Well it's a cold world  
And I'm in the middle  
Caught in the in-betweenI don't belong here  
So I'm writing to you  
It's wrong here  
Where I'm sending you someLetters from earth, yeahWell it's a new world  
And now I'm a stranger  
Stranger than you knowI don't belong here  
And I'm writing to you  
With blood on my handsWhat if I send you madness  
What if I send you pain  
And letters from earth, ooh  
All rightCome on it's another game  
But you gotta play on  
Cause they say it's just pretend  
Ask them why they say you'll never, never die  
Come on the game is called the endWell it's a cold world  
And I'm in the middle  
Caught in the in-betweenI don't belong here  
So I'm writing to you  
Hey let me explainWhat if I send you confusion  
What is the time and the pain worth  
Oh no no  
I'm only sending  
Letters from the earthLetters from earth
