Where You Lead

Gilmore Girls Soundtrack

Wanting you the way I do
I only want to be with you
And I would go to the ends of the earth
'Cause, darling, to me that's what you're worth

Where you lead, I will follow
Anywhere that you tell me to
If you need, you need me to be with you
I will follow where you lead

If you're out on the road
Feeling lonely and so cold
All you have to do is call my name
And I'll be there on the next train

Where you lead, I will follow
Anywhere that you tell me to
If you need, you need me to be with you
I will follow where you lead

I always wanted a real home with flowers on the window sill
But if you want to live in New York city, honey, you know I will
(Yes I will, yes I will)
I never thought I could get satisfaction from just one man
If anyone can keep me happy, you're the one who can

And where you lead, I will follow
Anywhere that you tell me to
If you need, you need me to be with you
I will follow

Oh where you lead
I will follow
Any anywhere that you tell me to
If you need, you need me to be with you
I will follow
Where you lead

Come on
I'm gonna follow where you lead

I'm gonna follow where you lead
I'm gonna follow, I, I'm gonna follow
I, I'm gonna follow where you lead
