# Play Dirty

## Dirty Tricks

I got a six string heater jump in to the fire
I got a rim shot beater, that's my desire
Hundred-watt destroyer, gonna put you away
Turn it up to eleven, we came to play
If you don't sweat you don't get it
If it don't burn it ain't hot
If ain't nasty forget it
If it ain't rude it don't rock
Play dirty, play rough
Play dirty, 'cause I can't get enough
I got a mind half crazy, now ain't that sad!
I can't stop rockin', but that's too bad
Overpowered distortion, blowin' out my brain
Shockwaves in my body, drivin' me insane
If you don't sweat you don't get it
If it don't burn it ain't hot
If ain't nasty forget it
If it ain't rude it don't rock
Play dirty, play rough
Play dirty, 'cause I can't get enough
Yeah
Ah huh huh huh huh
If you don't sweat you don't get it
If it don't burn it ain't hot
If ain't nasty forget it,
If it ain't rude it don't rock
Play D I R T Y, play rough
Play dirty, 'cause I can't get enough
Play dirty, play rough
Play dirty, 'cause I can't get enough
Play dirty
