

Ecstasy

Mario Biondi

You drag your nails across my back
I can feel your teeth upon my neck
I am in ecstasyYou blow my mind - heat me up
Take my spirit to the top - so high
I am in ecstasyWe fly... till we die
We fly... till we dieMore than more is not enough
I need your mind expanding stuff
To fly... to fly
All my strength - down the drain
No escape - I tried in vain
I am in ecstasyWe fly... till we die
We fly... till we die
In your hand - helplessly
Sweat and blood - I cannot flee
On my skin - sweetest pain
A million needles like burning rainWe fly... till we die
We fly... till we die
