## Gone

## **James Otto**

Again

This couldn't happen again

This is that once in a lifetime

This is the thrill divineWhat's more

This never happened before

Though I have prayed for a lifetime

That such as you would suddenly, suddenly be mineMine to hold as I'm holding you now

And never, never, never so near

Mine to have when the now

And the here disappearWhat matters, what matters, dear, for when

This doesn't happen again

We'll have this moment forever

But never, never againMine to hold as I'm holding you now

And never, never, never so near

Mine to have when the now

And the here disappear and ohWhat matters, what matters, what matters, dear, for when

This doesn't happen again

We'll have this moment forever

But never, never again, again

Never, never again, again
