

Invitation to the Blues

Reba McEntire

Well I couldn't sleep last night just walked the floor

Don't know how I'll stand this anymore

Lonely all the time since I lost you

Received your invitation to the bluesI don't know why you cause me such pain

I just hope I never go through this much again

Thanks for sendin' somethin' I can't use

Received your invitation to the bluesYou took the laughter from this world of mine

And thanks to you the sun will never shine

I walked the floor so much wore out my shoes

I received your invitation to the bluesI don't know why you cause me such pain

I just hope I never go through this much again

Lonely and me I don't know what to do

Received your invitation to the blues
