# Aggro

## The Enemy

Call the police
Cause things are getting ugly
Get on your feet
I want you running with meDo what you like
Say what you mean
Do what you pleaseAh, well set the streets on fire
When it comes on top
Well give it lots of aggro
Were giving it lots of aggroAh, well set the streets on fire
When it comes on top
Well give it lots of aggro
Were giving it lots of aggroBlood on the streets
You see the trouble happening
Get on your feet
You see the crowds are gatheringDo what you like
Say what you mean
Do what you pleaseAh, well set the streets on fire
When it comes on top
Well give it lots of aggro
Were giving it lots of aggroAh, well set the streets on fire
When it comes on top
Well give it lots of aggro
Were giving it lots of aggroAh, well set the streets on fire
When it comes on top
Well give it lots of aggro
Were giving it lots of aggroAh, well set the streets on fire
When it comes on top
Well give it lots of aggro
Were giving it lots of aggro
