

# Day In - Day Out (Mixed By Cut Chemist)

[Nat King Cole](#)

Day in, day out  
The same old voodoo follows me about  
The same old pounding in my heart  
Whenever I think of you  
And darling I think of you  
Day in and day out Day out, day in  
I needn't tell you how my days begin  
When I awake I get up with a tingle  
One possibility in view  
That possibility of maybe seeing you Come rain, come shine  
I meet you and to me the day is fine  
Then I kiss your lips, and the pounding becomes  
The oceans roar, a thousand drums  
Can't you see it's love, can there be any doubt  
When there it is, day in, day out Come rain, come shine  
I meet you and to me the day is fine  
Then I kiss your lips, and the pounding becomes  
The oceans roar, a thousand drums  
Can't you see it's love, can there be any doubt  
When there it is, day in, day out
