Dangerous And Sweet

Lenka

It's difficult to see from the surface.
But everything goes in and it stings,
Like a spider.
Hits you deep inside andI know that you are just like me, oversensitive.
Well I ordinarily breathe.
Taking everything for much more than it means.
Well it's dangerous, and it's sweet.
Cut us and we bleed.All these words that we speak casually.
Well maybe I'm just weak, but it hurts me.
Everything you said [Repeat: x3]
Well it cuts, like a knife
It hurts me deep inside andI know that you are just like me, oversensitive.
Well I ordinarily breathe.
Taking everything for much more than it means.
Well it's dangerous, and it's sweet.
Cut us and we bleed.I should put on my armor the next time I see you
So I won't be harmed. I know I can shoot my own arrows.
I'm sorry I hurt you.
I know that like me you can be oversensitive.I know that you are just like me, oversensitive.
Well I ordinarily breathe.
Taking everything for much more than it means.
Well it's dangerous, and it's sweet.
Cut us and we bleed.Yeah it's dangerous and sweet.
Don't you know it's dangerous and it's sweet?
Cut us and we bleed.
