My Delirium

Ladyhawke

Late night, waiting by the phone
Tonight waiting for an answer
Heartbeat drumming double time
I need one more chance to be near youStill hanging on for what?
Can't operate, fired up
I won't eat and I won't sleep for you, yeahNo rest till I get through
'Cause I'm holding out for you
Am I the only one who's insane?Hey, you're playing with my delirium
And the longer I wait the harder I'm gonna fall
Stop playing with my delirium
'Cause I'm outta my head and outta my self-controlStill here in this quiet room
Deep in delusion sending me over
Outside watch the world go by
Inside time stands still as I wonderStill hanging on for what?
Can't operate, fired up
I won't eat and I won't sleep for you, yeahNo rest till I get through
'Cause I'm holding out for you
Am I the only one who's insane?Hey, you're playing with my delirium
And the longer I wait the harder I'm gonna fall
Stop playing with my delirium
'Cause I'm outta my head and outta my self-controlI won't eat and I won't sleep for you, yeahHey, you're playing with my delirium
And the longer I wait the harder I'm gonna fall
Stop playing with my delirium
'Cause I'm outta my head and outta my self-controlHey, you're playing with my delirium
And the longer I wait the harder I'm gonna fall
Stop playing with my delirium
'Cause I'm outta my head and outta my self-control
