

# Sweet Ophelia

Zella Day

Believe me now you're too young girl  
Cherry pie with your gold curls  
Growin' up like a grapevine  
Wrapped around you in due time O-woah O-woah O-woah O-woah Sweet Ophelia,  
When young blood escapes,  
Vows that break,  
Go up, up away Sweet Ophelia,  
When your blood escapes  
Vows that break,  
Go up, up away Up, up away  
Up, up away Singing like it's a full moon (Singing like it's a full moon)  
Careless now that he has you (Careless now that he has you)  
Turns you on to the right songs (Turns you on to the right songs)  
Promises that you're hooked on (Promises that you're hooked on) O-woah O-woah O-woah O-woah Sweet  
Ophelia,  
When young blood escapes,  
Vows that break,  
Go up, up away Sweet Ophelia,  
When young blood escapes,  
Vows that break,  
Go up, up away Up, up away  
Up, up away Sweet Ophelia,  
When young blood escapes,  
Vows that break,  
Go up, up away Sweet Ophelia,  
When young blood escapes,  
Vows that break,  
Go up, up away Sweet Ophelia,  
When young blood escapes,  
Vows that break,  
Go up, up away Up, up away  
Up, up away  
Up, up away  
Up, up away
