

Rosealia (LP Version)

Better Than Ezra

Where have you gone my Rosealia?
Into the crowd he'll never find you
If you walk real fast and you stay down low[Chorus:]
So many times, so many chances
This one could be your last
You say, "No, no, no the fighting has left me tired"
You say, "No, no, no" but the hurting goes on
Put on your mask wearing your cape
Put on your mask, my Rosealia
Put on your mask wearing your cape
Put on your mask, my Rosealia What has he done my senorita?
His kind of love is going to kill you
Do you fake a smile when you dodge the blows?[Chorus] Ladies and gentlemen of America There'll no longer be
hurt
Jealousy can rip your heart out
And jealousy can turn a hand into a fist[Chorus] My Rosealia
