

# Get It All (feat. Tank & Kevin McCall)

[Eric Bellinger](#)

oh noh, whoa, yeah, oh noh, yeahwanna put it down on you girl you're gonna like what i do girl  
keep between me and you girl, all i want is you girl  
wanna put it down on you girl you're gonna like what i do girl  
keep between me and you girl, all i want is you girlshawty what's the deal?  
you looking so fly and i gotta keep it real  
i know i ain't the first and i won't be the last  
but i found a new best friend in you  
girl it's something about you don't know what it is  
but i loving that  
it ... that you move on the dance floor  
girl my body body, want you to ride it ride it  
if you single girl let's get it, my place your place, go on with it  
go and light those candle lights, dance all night  
sex you right, girl you should come over  
and get it on, all night long, that's nothing wrong  
girl i promise you can get it off, you can get it off  
girls there's so many things i wanna do  
i wanna make your love come down, love come down, love come down  
baby i'll make you scream out whoasoon as the ... we gonng get it on  
....we never left the club cause i can still hear my song  
girl i want you to come closer now  
i wanna make your body scream and shout  
... i see it in your eyes  
you looking like you want it whoa  
you sure let's get rid of that,  
you know that i wanna do what you wanna do  
girl let's get it oni wanna light those candle lights, dance all night  
sex you right, girl you should come over  
and get it on, all night long, that's nothing wrong  
girl i promise you can get it off, you can get it off  
girls there's so many things i wanna do  
i wanna make your love come down, love come down, love come down  
baby i'll make you scream out whoagive me a minute, let me catch my breath  
i'ma give it to you till it's nothing left  
i'ma have you telling me i'm the best  
but you ain't even really seen nothing yet, yet  
on some twilight shit, how i bite your neck  
leaving ... no quickies, i'ma go all night, no rest  
let me get you up out that dress, ... zone

let me taste your ... for real so, bad oh  
call that the kill zone, cause when i get you alone  
baby i'll make you feel, make you scream, whoa oh  
baby when i put it downwanna put it down on you girl you're gonna like what i do girl  
keep between me and you girl, all i want is you girl  
wanna put it down on you girl you're gonna like what i do girl  
keep between me and you girl, all i want is you girl  
all i want baby is you, you, you, you, you, you  
all i want is you girl, all i want is you girl  
all i want is you girl, all i want is you girl  
all i want is you girl, all i want is you girl.
