

# I Only Have Eyes for You

[Kenny Rogers](#)

My love must be a kind of blind love  
I can't see anyone but you  
Sha bop sha bop Are the stars out tonight  
I don't know if it's cloudy or bright  
I only have eyes for you dear The moon may be high  
But I can't see a thing in the sky  
I only have eyes for you I don't know if we're in a garden  
Or on a crowded avenue You are here and so am I  
Maybe millions of people go by  
But they all disappear from view  
And I only have eyes for you
