

Teach Me Tonight

[Brenda Lee](#)

Did you say I've got a lot to learn
Well don't think I'm trying not to learn
Since this is the perfect spot to learn
Teach me tonight Starting with the ABC of it
Right down to the XYZ of it
Help me solve the mystery of it
Teach me tonight The sky's a blackboard high above you
If a shooting star goes by
I'll use that star to write I love you
A thousand times across the sky One thing isn't very clear my love
Should the teacher stand so near my love
Graduations almost here my love
Teach me tonight
