Jailhouse Baby

Paris Hilton

CNN and MTV, All cameras?s focused on me,
Helicopters up above, Oh what a travesty,
There?s a crazy world at war, Right outside of my front door,
They?re wasting time on me; I?m just a jailhouse baby.
Oh, I've been seeing so sleepy, Oh, Jailhouse baby,
Oh, No window of the world, I?m a little, I?m a little jail bird,
Oh, I've been seeing so sleepy, Oh, Jailhouse baby,
Oh, No window of the world, I?m a little, I?m a little jail bird.
Cold nights and freezing water, Fluorescents always on,
Stuck here behind this glass, My parents see their daughter,
Judge you're no celebrity; You?re a desperate wannabe,
Service you?d rather leave, Real criminals on the streets.
Oh, I've been seeing so sleepy, Oh, Jailhouse baby,
Oh, No window of the world, I?m a little, I?m a little jail bird,
Oh, I've been seeing so sleepy, Oh, Jailhouse baby,
Oh, No window of the world, I?m a little, I?m a little jail bird.

Hand cuffs and Coco cream, Notes slipped right under my door,
Look at me caught in this cage, Just like an animal,
Like a public enemy, make a mockery out of me,
How dangerous can I be?, I?m just a jailhouse baby.
Oh, I've been seeing so sleepy, Oh, Jailhouse baby,
Oh, No window of the world, I?m a little, I?m a little jail bird,
Oh, I've been seeing so sleepy, Oh, Jailhouse baby,
Oh, No window of the world, I?m a little, I?m a little jail bird.
All those lonely nights of terror, I thank you for your letters,
Words from around the world, for the lonely little jail bird.
Still haunted by nightmares, Why?s the system so unfair,
But I?m stronger than before, No I?m no longer scared.
Oh, I've been seeing so sleepy, Oh, Jailhouse baby,
Oh, No window of the world, I?m a little, I?m a little jail bird,
Oh, I've been seeing so sleepy, Oh, Jailhouse baby,
Oh, No window of the world, I?m a little, I?m a little jail bird.
