

There You Go

[Johnny Cash](#)

You're gonna break another heart
You're gonna tell another lie Well here I am and there you go, you're gone again
I know you're gonna be the way you've always been
Breakin' hearts and tellin' lies is all you know
Another guy gives you the eye and there you go There you go, you're gone again
I should've known, I couldn't win
There you go, you're by his side
You're gonna break another heart
You're gonna tell another lie Because I love you so I take much more than I should take
I want you even though I know my heart is gonna break
You build me up and for a while I'm all a-glow
Then your fickle heart sees someone else and there you go There you go, you're gone again
I should've known, I couldn't win
There you go, you're by his side
You're gonna break another heart
You're gonna tell another lie
