Kiss Me Red

Cheap Trick

I could paint your picture in the sky tonight
Your lipstick on the moon it shines so bright
Baby it's full and white
Honey it's full tonight
(chorus 1)
So kiss me red
Kiss me rogue
Kiss me rough
Kiss me smooth
Oh..
I could paint your picture in my room tonight
Your body's on my mind it's clear and bright
Oh but you're far away
And what I wouldn't pay
(chorus 2)
To kiss you red
Kiss you rogue
Kiss you rough
Kiss you smooth
Oh..
It's black out
And I'm alone in the dark
But light a candle to replace your heart
What I wouldn't give to have you here in my bed

So kiss me red
Kiss me rogue
Kiss me rough
Kiss me smooth
Oh..
To kiss you red
Kiss you rogue
Kiss you rough
Kiss you smooth
Oh..
So kiss me red
Kiss me rogue
Kiss me rough
Kiss me smooth

Oh..
To kiss you red
Kiss you rogue
Kiss you rough
Kiss you smooth
Oh..
So kiss me red
Kiss me rogue
Kiss me rough
Kiss me smooth
Oh..
