Going Down on Love

John Lennon

Got to get down, down on my knees
Got to get down, down on my knees
Going down on love
Going down on love
Going down, going down, going downWhen the real thing goes wrong
And you can't get it on
And your love she has gone
And you got to carry on
And you shoot out the light
Ain't coming home for the night
You know you got to, got to, got to pay the priceSomebody please, please help me
You know I'm drowning in the sea of hatredGot to get down, down on my knees
Got to get down, down on my knees
Going down on love
Going down on love
Going down, going down, going downSomething precious and rare
Disappears in thin air
And it seems so unfair
Nothing doin' nowhere
Well you burn all your boats
And you sow your wild oats
Well you know, you know, you know the price is right!Got to get down, down on my knees
Got to get down, down on my knees
Got to get down, down on my knees
Got to get down, down on my knees
