## Whirring

## **The Joy Formidable**

This much delight, fills columns to new heights
All these things about me you never can tell
Colors run prime, paint a picture so bright
All these things about me you never can tell
You make me sleep so badly invisible friendTurn the dial on my words
I can feel they fall short
Turn the dial, chime alarm, chime alarm
Watch these hands move apart

Turn the dial on my wordsI can see you staying hereFierce steps shadow, life's will gone shallow

All these things about me you never can tell

You make me sleep so badly, invisible friend

You make me sleep so badly, invisible friend

You make me sleep so badly, invisible friendTurn the dial on my words

I can feel they fall short

Turn the dial, chime alarm, chime alarm

Watch these hands move apart

Turn the dial on my wordsI can see you staying here
